

August 4, 2020

Administrative Order 20-8-A was issued today. As the number indicates, the revisions were minor. Paragraph 16 removes the absolute restriction on issuance of bench warrants for non-appearance in criminal cases and allows for issuance of either a new summons or a book and release bench warrant for non-appearance depending on the circumstances. Paragraph 23 regarding unlawful detainers reflects the Governor's current proclamation extending the restriction on unlawful detainers through October 15.

David Svaren, Presiding Judge
